AMBASSADOR
FOR 15.6" LAPTOPS

Model #K10080006

This top-load shoulder has a unique expanded zipper feature that allows the case to expand 1½" for additional storage capacity when needed. The center compartment features a padded divider to configure your laptop and files and also has pockets for accessories. The rear compartment is an expandable file section, while the front compartment features a complete business organizer.

PRODUCT FEATURES

- **Streamlined design** with updated front panel and top-load center laptop compartment with versatile padded divider for easy configuration of laptops and files
- **Includes** detachable side-saddle leather ID tag and removable accessory pouch
- **Luggage sleeve** conveniently integrated in rear of case for maximum portability with any of our CODi wheeled cases
- **Business organization system** great for carrying your CODi accessories, featuring: mesh accessory pockets, zippered accessory pocket, 3 stylus/pen pockets, dual business/credit card pockets, removable accessory kit to organize your peripherals, and key fob for enhanced security

Expanded zipper feature creates additional volume.
